

# Today

*Today is a Wuntimous, Blabacal day!  
There's nothing on earth that could spoilen my mood!  
The Babbles are Brooking! The Shines are a-Sunning!  
The Topulous Blusts are outside with their Brood!*

*Rejoice in Today! This Frejulic Mid-Day!  
Live not for the Morrow; live for the at-hand!  
The Whispers are Windsing! The Flies are a-Finching!  
All the Cricticous Creatures are looking quite Grand!*

*Grand, Grand! This Vlipultuous night!  
Take more than a Moment to sample it's fun!  
The Calmings are Streaming! The Glows are a-Mooning!  
How happy I am that the day is quite done!*

*For tomorrow's a Wuntimous, Blabacal day!  
There'll be nothing on earth that can spoilen my mood!  
The Babbles will Brook, and the Shines will be Sunning!  
And the Blusts will be playing outside with their Brood!*
